**MINISTERS OF HOLY COMMUNION**

**CHAIR: RON HOTH, 998-7721**  
**RHOTH@TRIAD.RR.COM**

***SPRING UPDATES FROM RON:***

Ministers are invited to participate in the Eucharistic Procession on Holy Thursday. After you receive Holy Communion, go the concourse to receive a candle and instructions.

Ministers, during the Sign of Peace, please arrive at the steps of the sanctuary at the same time that the priest moves from altar to the tabernacle and back to the altar. This has gotten slower and slower. You may not be able to give everyone the Sign of Peace on the days when you are serving. Everyone should be in place as we begin to sing the *Lamb of God/Agnus Dei*. Thank you for your attention to this detail.

Move into the Sanctuary as the Priest RAISES HIS CHALICE TO HIS LIPS. Do not wait for others to lead!!

Host Ministers; please provide as many hosts as requested by *Ministers To The Sick* when they present their pix as they are receiving the Host themselves at Mass.

After communion, Cup Ministers are allowed to consume their remaining Precious Blood themselves.

ALL ministers are respectfully requested to help in the clean up after Mass.

Cup Ministers; please use extreme caution when taking Precious Blood to the pew for disabled parishioners. An instruction for the assembly is forthcoming that will be compassionate and uniform. There have been some near collisions between cup ministers who were “delivering” and other parishioners who were in lines to or from the host. **Host Ministers and Ushers**, in the interim, please watch to assure that your Cup Minister has returned to the position before allowing the line to move.

## ALTAR SERVERS

TIM HASENOUR, 766-3614  
THASENOUR@TRIAD.RR.COM

### **SPRING UPDATES FROM MR. TIM**

- Stay alert; remember to participate fully by saying the creed, prayers and responses appropriately.
- Altar Servers, see the bulletin board for a new Section called the ***"Tip of the Month"***. We will be posting a new "Tip of the Month" to help Altar Servers focus and sharpen their skills for serving.
- Please be attentive with "THE BOOK": hand it to Father in the CORRECT position for him to open it and read.
- IF you are unsure about when to ring the bells, look over to MR. TERRY at the Organ. He'll give you a cue.
- Please - we ask that servers not wear FLIP FLOPS TO SERVE.

THANK YOU FOR YOUR RESPECTFUL CONSIDERATION OF OUR REQUEST.

## USHERS

JIM CHITTICK, 998-8642  
JACHITTICK@HOTMAIL.COM

### *SPRING UPDATES FROM JIM*

- Reminder: We still need to work on getting gifts down in a timely manner. **BE SURE THAT THE FAMILY PRESENTING THE GIFTS KNOWS THAT THEY SHOULD START DOWN THE ASILE WHEN FATHER IS COMING DOWN THE STEPS OF THE SANCTUARY**, even though the ushers may **STILL BE COLLECTING OFFERING**.
- PLEASE get a substitute and notify your captain if you are unable to usher at your assignment. We have been having far too many missing ushers without replacements.
- An instruction that is compassionate and uniform for the assembly is forthcoming regarding distribution of Communion to those who are unable to come to the altar. There have been some near collisions between cup ministers who were “delivering” and other parishioners who were in lines to or from the host. **Host Ministers and Ushers**, in the interim, please watch to assure that the Cup Minister has returned to their position before allowing the line to move.

### **EDITOR’S NOTE:**

- As most of you probably know by now, Jim Chittick is recovering well from surgery to repair a ruptured Achilles Tendon that ruptured while he and Judy were vacationing in Minnesota. Jim has been Chair of Hospitality for nearly five years. He has brought tremendously effective organization and spirit to this large ministry. He has coordinated the moving of people and traffic that transitioned us into the new church, he’s planned for the numerous guests who came for the large funerals and Mass Celebrations that have taken place in our new church since 2005. With all of those tasks, Jim has always had a “can-do” attitude, a servant’s heart, an unrelenting work ethic for hundreds of hours working the phones to build teams and, then, being present himself to coordinate everything from beginning to end. The Ministry of Hospitality (aka Ushers) is one of our most direct sites of evangelism — making the church an inviting place to be with a kind and helpful word and a neighborly smile. Jim has lead by example. Holy Family’s hospitality has always been strong but Jim and his teams have kicked it up another notch. Great job! Soon, he’s taking a promotion to Immediate Past-Chair (twice the salary and unlimited benefits). He will be mentor to Sam Bandy who has agreed to serve as Chair of Hospitality. Sam will be assisted by Joe Muster. Their contact info is as follows. Jim suggests that you test drive any questions with these two from now on. He’ll listen in the background.
