Fees

This program is FREE, although some of the classes may require you to purchase supplies or pay a small fee for supplies.

*A collection will be taken up for Holy Family on the third Monday of every month. The collection envelope will be located in the nursery. The use of their facilities is being offered to us without fees for space or utilities, which allows us to operate as a no cost group.

Volunteering

This program functions as a complete cooperative effort between homeschooling parents in order to provide activities that enrich a Catholic, homeschool education. Each parent is expected to contribute by volunteering in any of the following areas.

- Teach a class (indicate if there is a preference) _____
- Teacher's Aide (indicate if there is a preference) _____
- Nursery volunteer

Volunteer opportunities often function on a rotating basis, giving parents the opportunity to develop friendships while at the same time contributing to the success of the program. We understand that under some circumstances, volunteering abilities may be limited (birth of new baby, illness, etc.) Please note that no drop-offs are allowed.

Enrollment

Enrollment is limited to 50 students. In the event that the program becomes full, we will place you on a waiting list for the remainder of the semester. If space then becomes available, the next family on the wait list will be contacted and offered enrollment.
